

DermaPet DENTEEES™ Stars & Chews

DentAcetic® Dog & Cat Treats

Dental Treats with Odofactants

The first and only patent protected *limited antigen* treat to provide all of these benefits in one nutritious, enjoyable chew:

- Irresistible taste
- **Odofactants neutralize stomach odors and freshen breath**

* Abrasive action and patented ingredients, HMP and acetic acid, decreases buildup of dental plaque, blocks formation of tartar and physically removes both

All Natural
Treats for
Teeth &
Breath!

- Brightens teeth
- No beef or beef byproducts
- No preservatives, artificial flavors or colors
- Created by a board-certified veterinary dentist & other expert veterinarians
- Improves digestibility
- Limited Antigen for allergic dogs

New Clinic Special

A new clinic is defined as...

A veterinary hospital, opened or purchased within the last 90 days, that is owned and operated by a licensed veterinarian.

Offer Requirements

1. All DermaPet products must be purchased on a single order.
2. A minimum of five (5) different products (not sizes) in case lots must be purchased. Gallons are equivalent to a case.
3. The offer will match case for case and gallon for gallon up to 15 cases/gallons.
4. You can use your distributor of choice if you wish. DermaPet will ship the free products to the new clinic/hospital.
5. Call us for an order form and fax to 301-365-0191, or ask your distributor to fax your order for you.

Ongoing Specials

- Buy any 5 cases or gallons, get one of any of our gallons or cases free. (Least expensive item is free, MalAcetic Otic cannot be free)
- Buy 3 cases or gallons, get our book *Skin Diseases of Dogs and Cats FREE*** (cannot be all MalAcetic Otic). DermaPet can ship book if distributor is out of stock. Fax copy of invoice to 301-365-0191.
