### Shampoo Therapy

#### **DermaLyte (DermaHypoCs)**

*The first daily use shampoo. For routine shampooing of normal, sensitive or dry skin.*  
 Hypoallergenic conditioning shampoo moisturizes, conditions and nourishes. Leaves hair and skin clean and lustrous. Rinses easily, leaving no buildup. Recommended for allergic animals. Use prior to dipping for fleas & ticks, or after prolonged sun exposure. Soap and dye free, pH balanced, with Omega 6 and essential fatty acids. Original coconut oil shampoo with natural coconut fragrance. Available in 8 oz. and gallon.

#### **DermAllay (Shampoo and Conditioner)**

*For itchy, dry and/or sensitive skin. Shampoo is clear, no need to shake well before using. Conditioner is easy to use, dry on.*  
 Oatmeal has been used since the earliest days of medicine to relieve skin maladies characterized by itching, dry skin and inflammation. Placed in the elegant **DermaPet Conditioning Shampoo** (various sizes), now it can be conveniently applied in a frequent-use formulation. This is the first oatmeal product that does not need to be shaken. It is clear and soluble. After long research this is the first use of soluble oatmeal on the veterinary market. No more will you find all of the active ingredients at the bottom of the bottle when using oatmeal. Available in 8 oz. and gallon.

#### **DermaSebS**

*Named "most effective medicated shampoo" American Academy of Veterinary Dermatology, 1994. For dry, scaly skin disorders.*  
 For professional use only. Ancient healing formula in an all-natural, modern, state-of-the-art vehicle. Clear sulfur/salicylic acid, all natural soapless shampoo. Removes scales, crusts. Natural coconut fragrance. Available in 8 oz. and gallon.

#### **DermaBenSs (with 1% sulfur and 1% salicylic acid)**

For veterinary use only. Benzoyl Peroxide (2.5%) is a soapless shampoo base with anti-oxidants, vitamin E and coconut oil. Follicular flushing ability is unique to benzoyl peroxide which penetrates skin into the follicle and flushes it out. Moisturizers assist in general cleaning. Antimicrobial, follicular flush, degreaser. Available in 8 oz. and gallon.

#### **MalAcetic™ Shampoo (see listing above)**
